**From The East.**

Greetings All!!! This has been an energizing year at Cataract Lodge thus far. What excites me the most is that our members come together, share a piece of the work and making it happen. Commitment and dedication has brought about a true sense of teamwork and harmony in our lodge.

If you have not made it to lodge in awhile I encourage you to mark this date on your calendar, Tuesday May 12, 2015. On May 12<sup>th</sup> we will have our annual meeting. This day is more than just business as usual. The annual meeting is an opportunity to reconnect, celebrate and much more. I hope that you can attend.

Finally, for the last 9 months we have been talking about the lifetime membership. Our JW Dave Ott has interviewed several Brethren and written newsletter articles on the subject. I purchased my lifetime membership several years ago and I'm thankful that it was an option. If you want more information about the membership please contact our lodge secretary RWB Doug.

**Annual Meeting – A New Tradition?**

Haven't been to lodge in a while and looking for a good reason to come back? Then we encourage you to think about joining the brethren of Cataract Lodge #2 for the stated meeting on Tuesday, May 12. Our May meeting has historically included the election of officers for the upcoming year, so going forward we'd like to make this a special event by encouraging all inactive brothers to come back and take part in this important process. Concerned you've been away from lodge too long and don't remember anything? Not to worry, as the officers will put on a brief "Rusty Square & Compass" class after dinner intended to make all visiting brothers more comfortable with the opening and closing of the lodge. In the coming weeks, officers will be reaching out to you personally with an invitation to attend this great event. Please give it serious consideration...your lodge brothers miss you!

—JW Dave Ott

**Fellowcraft Brother Freddie Brown**

Our newest brother, Freddie Brown, experienced more Masonic light on Tuesday, February 24 as he was passed to the degree of a Fellow Craft. Here he is pictured with acting Master Dave Ott and Senior Deacon Scott Wood. The Master Mason degree is set for Tuesday, March 24, beginning at 5:00 PM. Please clear your calendar and join the officers of Cataract Lodge #2 for what will surely be a sublime event!

## Feed My Starving Children

This year's event, held from February 9-14, was staged at the ShopJimmy.com Warehouse in Burnsville. On Saturday, February 14, thanks to the recruiting efforts of Brother Glenn Kieker, Masons from Cataract, Harriet, and Lebanon lodges, along with their family members, joined up with hundreds of citizens from the surrounding communities, and in the space of two hours, packed over 193,000 meals for shipment to areas of the world in dire need of nutrition. This was just one session on Saturday. They had held three or four sessions a day that week for a grand total of 2,509,272 meals.

## Volunteering

Cataract Lodge is blessed with the ability to make generous monetary donations to our favorite causes and charities. We are also blessed with good men who are willing to donate their time when called upon, FMSC being just one example. There are many other opportunities out there for us to volunteer, do the right thing and, at the same time, let the community know just what Freemasonry is all about. There are probably events in your own neighborhood that would appreciate some extra help. Bring them to the attention of any lodge officer. Let's get as many as we can on our calendar in the coming year.

## Cataract Lodge #2's Annual Frozen Fore

Every year, more brothers and guests choose to wear kilts and this makes our presence memorable to many. One parent told us their child said "Can we go to Gull Lake to see the Scottish guys?" Even the merchants appreciate and remember us.

A grand time was had by all! Friday night: superb chili & bacon cornbread and then Scotch tasting orchestrated and stocked by Brother Pat Carver. We also enjoyed Pat's knife collection. The next day, nine holes of tennis ball "golf" around Gull Lake and in the evening, pizza, movie & conversation. On the way home some of us stopped by the Fleet Farm Shooting and archery to fire an assortment of interesting firearms.

### PM Conrad Jackson, interviewed by Lakeland News.

Frozen Fore outing is a great way to get to know your brothers while supporting worthy causes: **The Confidence Learning Center** and **Kids Against Hunger**. ### Who is Who At Cataract #2?

In 1851 Brother Alfred Elisha Ames came to Dakota territory settling in what is now a fine part of the Minneapolis Metro. Brother Alfred Elisha Ames was made a Mason in Joliet Lodge U.D. in the Jurisdiction of Illinois becoming a Master Mason on March 1840.

He as a remarkable and energetic Pioneer who established himself with strong roots in Minnesota history. Bro Ames was a Doctor of Medicine well established with the early pioneering settlers in the St. Anthony area during prestatehood days.

Other Pioneer Freemasons became known to him in the Village of St Anthony, Dakota Territory, and he would often invite them to his office and have lively discussions about things Masonic. Some reports say he investigated the visitors good standing in Masonry; So he could give testimony regarding their legitimacy as Master Masons. Bro. Alfred became a strong proponent for the establishment of a Masonic Lodge in the Saint Anthony area. Nine Brothers met in 1851 at Brother Ames' office, drafted a petitioned for the Grand Lodge of Illinois, asking for a dispensation to set up a Masonic Lodge in the vicinity of St. Anthony Falls. Brother Ames was from Illinois and it was natural for him to go to that jurisdiction in search for the dispensation. The dispensation to form Cataract Lodge was granted with Alfred named as Master of the lodge.

Master Alfred Elisha Ames, in 1853, also became the first Grand Master of Masons in Minnesota when the MN Grand Lodge was created. More on this early history of Minnesota Freemasonry will follow in future issues of Cataract Lodge #2 Newsletter. (to be continued)
